NESHANNOCK TOWNSHIP WATER METER RENTAL AGREEMENT

I, _____ of _____

Agree to pay \$12.00 non-refundable rental fee and \$25.00 deposit fee for a total of \$37.00 in the form of a check or money order payable at the time of pick up. **I understand that I am responsible for any damage to the meter including freezing and agree to be liable for repair and/or replacement costs.** I also understand that **I must return the meter** to the Neshannock Township Sewer Department Office **on or before September 30, 2021** and that my \$25.00 will be refunded in the form of a check from the Neshannock Township Sewer Department providing the meter has not been damaged. I further understand that any tampering with the meter will void the return of my \$25.00 deposit.

Further, I certify that I have read the Pennsylvania Department of Environmental Protection Swimming Pool Water Discharge Guidelines and **I agree to comply** with the discharge guidelines established therein. I understand that chlorine in pool water can cause damage to streams or other bodies of water and aquatic life and that discharging pool water into Pennsylvania's waterways through storm water systems without a permit violates the PA Clean Streams Law. Accordingly, **I agree that I will not use this meter in connection with filling a pool** with pool water when such water shall be discharged into the Sanitary Sewer System.
